RRA “Maybe” Eligible Health Care Expenses

Certain expenses require additional information in order to determine if they qualify. Products and services classified as “Maybe” require a written statement from your health care provider indicating (1) the diagnosis and (2) the medical necessity of the expense. Specialized items also require proof of the difference in cost: (1) the cost of standard, unmodified item, and (2) the cost of special or modified item. If you incur an expense that is classified as “Maybe,” you will need to submit the above documentation with your claim.
