# Opening September 2: The SRS Retiree Resource Center

*You don't have to be a member of the SRS Retiree Association to take advantage of these services. Even if you're not yet 65, but have questions about your Medicare or SRS benefit options, the Lower Savannah Council of Governments staff and trained SRS Retiree Association volunteers are ready to help.*

## A Center focused on you

The Center is a partnership between the Lower Savannah Council of Governments, or LSCOG, and the SRS Retiree Association.

The Center is available at no cost to you.

The LSCOG provides seniors with information on aging and disability resources, assistance with Medicare and transportation options. The SRS Retiree Association provides assistance to SRS retirees in obtaining their benefits.

## What's available?

Medicare benefits counseling and assistance with My Medicare Advocate and Wage Works will be provided.

Problems with reimbursements?  
Trained volunteers will coordinate with Wage Works to assist in resolving your problem.

A "Welcome to Medicare" video is available to explain your Medicare options.

## Where and when?

Located in the Lower Savannah Council of Government office, 2748 Wagener Road, Aiken

Open from 8 a.m. to 4 p.m.  
Monday through Friday
